# IMPACTFUL GLANCE

Solenta is the premium ceramic brand par excellence, with products conspicuous for their elegance and sophistication, based on cutting edge technology and modern design. A brand with a forward looking philosophy and strong emphasis on innovation and design.

We build on our experience as manufacturers and keen interest in progress, redefining ourselves to keep up with the times. With products more versatile than ever before thanks to our new formats, finishes and textures, we aspire to create exquisitely desirable products truly distinctive from all the rest

# Desirable Influence

The ceramic era inspired the idea of the glossy reactive, which combines visual complexity the quality of the "aged" ornamental and the Linear severity of the geometric de-cows. Soft beige and gray tones, a panel with a multi-layered floral pattern design and water colour stripes of decorative elements everything is created to create a calm yet bright, individual interior with interesting ac-cent parts

A modern, chrome towel rack is mounted on the wall. It consists of a vertical frame with horizontal bars. A folded grey and white towel is hanging from one of the bars.
